Water Mist Generator

Model No. TMST-01B

TMST-01B Water Mist generators are durable, portable, and reliable and the best suited product for pharma food, healthcare, and agriculture Industry.

Features

- 1) Convenient Design, Rugged, with easily cleanable construction, wide applications in Flow pattern test, air flow visualisation test.
- 2) Wide applications for humidification in the industry, portable design, Easy to carry.
- 3) High applicability for dust polluted environments.
- 4) Applications in cold chain industry, food industry to keep the food products fresh.

Technical Specification

- 1) Water Mist Output : 7 Liters/hr.
- 2) Output adjustable by rotary switch as per the requirements.
- 3) Ultrasonic, 12 mini modules.
- 4) Power supply 230 VAC 50 Hz
- 5) Hose Pipe length : 9 feet.
- 6) Dimensions(LxWxH) : 355mmX 240mm X 320mm
- 7) Weight: 10 Kg.
